Leopold B. Felsen Fund bestows an award for Excellence in Electromagnetics to promote contributions of the Turkish students/researchers to the field of Electromagnetics each year. This year, in 2016, there were 14 applications of very high quality. Following the request of late Prof. Felsen, Doctor Honoris Causa of Doğuş University, while selecting the candidates, being a member or a student of Doğuş University and publications resulting from research done in Turkey are considered a plus. After a meticulous examination process, the Selection Committee bestows this year’s 5,000 US $ award to:

Ayşegül PEKMEZCI
DOĞUŞ University

Mehmet Burak ÖZAKIN
GEBZE Technical University

Burak ÖZBEY
BİLKENT University.

Also this year, URSI – FELSEN Best student paper awards, during URSI Turkey 2016 Conference and National Assembly, held in Middle East Technical University (METU), during Sep 1-3, 2016, were given to:

1. 600 USD
Barışcan Karaosmanoğlu
METU

2. 400 USD
Hakan Tuna
BİLKENT University

3. 250 USD
Uğur M Gür and Kadir Üstün
METU
